To secure the deal, he sent Jack, one of his most loyal servants, to kill the local, since they would be the only real resistance the wolves would encounter.. Afraid for his life, the rabbit king Hickory agreed to this takeover, providing that the wolves do not harm him.. Jack tells him nothing about the wolves, and assures him that no one will actually be harmed during the attack.

The raiders lure Turner away from the village and attack while he is absent, murdering his entire family and nearly all of his friends.. After Turner reaches the Rocky Hall, one of the guards there informs Turner that Jack has set a bounty on him.. Skipper tells Turner how Jack manipulated him, which prompts Turner to return to his village and confirm the location of Jack's corpse.. Contents • • • • • Story [ ] The story takes place on the island of Lugaru, an unknown number of years after; all of the characters are.. He then pays the raiders to kill everyone in the village, including Skipper Jack's plan is largely successful.. Free resume builder and download However, most of the guards see Turner as a hero and refuse to attack him, instead pretending that they haven't seen him.. The story focuses on Turner, a mildly famous retired rabbit who lives in a small village with his family and friends.. Not wanting to make the same mistakes as before, they plan to conserve their food supply by enslaving and farming the citizens of the local rabbit kingdom rather than hunting their new food supply to extinction.
