In *Literacy in the Early Grades, 4/e*, Gail Tompkins, long recognized as a leader in the field of literacy education, presents research-based, practical help for getting every child off to a successful start in literacy—and for helping new and experienced teachers ensure they're prepared to pass their licensure exams. The focus is exclusively on the developmental needs of children in Pre-K through grade 4, and on the skills and strategies teachers need to guide them to become successful, fluent readers and writers. In it, teachers get research-based, practical directives supported by authentic student examples of sound literacy instruction and assessment, along with unsurpassed classroom applications in the form of authentic classroom vignettes, student work samples, mini lessons, assessment tools, video case studies, and a compendium of instructional procedures. The Enhanced Pearson eText features embedded video, interactive activities, and assessments.
