### Description:

Working closely with Moebius Productions in France, Dark Horse is putting the work of a master storyteller back in print--with some material in English for the first time!

Stel and Atan are interstellar investigators trying to find a lost space station and its crew. When they discover the mythical paradise planet Edena, their lives are changed forever. The long out-of-print Edena Cycle from Moebius gets a deluxe hardcover treatment! Moebius's World of Edena story arc is comprised of five chapters--Upon a Star, Gardens of Edena, The Goddess, Stel, and Sra--which are all collected here.

A storyboard artist and designer (*Alien*, *Tron*, *The Fifth Element*, among many others) as well as comic book master, Moebius's work has influenced creators in countless fields.
