Description:

From Publishers Weekly Popular motivational lecturer and bestselling author Wayne Dyer's latest book is a small volume that reveals some basic principles for changing one's outlook on life. Ten Secrets for Success and Inner Peace is a simple, honest guide to living happily. Among his recommendations: have a mind that is open to everything and attached to nothing, treat yourself as if you already are what you'd like to be, and wisdom is avoiding all thoughts that weaken you. Dyer's words are complemented by pastel-colored watercolors; the plush cover and small size make this a good gift.
