## Description:

**About the Author** Born in Bath, England in 1974, a self-professed "funny onion", equal parts sport loving jock and comic book geek. From an early age reading so many works of varied authors I took the somewhat foolhardy decision to attempt to write my own novels. I have always been an avid fan of the Horror/Supernatural genres and find that many great works in this field are automatically dismissed due to their subject matter. My third novel "Gated" hit the #1 spot on the Amazon UK free Horror chart and when it went back on sale has a high of #4 on the UK Amazon Horror Chart and #2 on the Horror/Thriller chart.
