A lip-smacking, mouthwatering, absolutely delectable debut, *BELLYACHE: A Delicious Tale* by Crystal Marcos is a literary feast for ages seven and up. In the vein of Roald Dahl's best-loved adventures, Marcos offers a mystical, character driven escapade that intertwines strands of reality with a larger-than-life fantasy world. When Peter Fischer sets out to help his grandfather at Papa's Sweet Shop, he will quickly learn that sneaking sweets and covering up his sugar-dusted tracks will have major consequences. As Peter is transported to a mysteriously delicious, faraway land, a curious people known as the Candonites, some of whom have no time for a non-Candonite, will teach Peter a lesson on what it means to be different and what it means to forgive.

Look for Marcos' exciting second book in the children's series, *HEADACHE: The Hair-Raising Sequel to BELLYACHE*.
