Description:

About the Author Thomas W. Shinder, M.D. (MCSE, MCP+I, MCT) is a technology trainer and consultant in the Dallas-Ft. Worth metroplex. Dr. Shinder has consulted with major firms, including Xerox, Lucent Technologies, and FINA Oil, assisting in the development and implementation of IP-based communications strategies. Dr. Shinder attended medical school at the University of Illinois in Chicago, and trained in neurology at the Oregon Health Sciences Center in Portland, Oregon. His fascination with interneuronal communication ultimately melded with his interest in internetworking

and led him to focus on systems engineering.

Debra Littlejohn Shinder (MCSE, MCP+I, MCT) is an instructor in the AATP program at Eastfield College, Dallas County Community College District, where she has taught since 1992. She and her husband, Dr. Thomas W. Shinder, provide consulting and technical support services to Dallas area organizations.

Martin Grasdahl (MCSE+I, MCT, CNE, CNI CTT, A+), Director of Content at Brainbuzz.com, has worked in the computer industry for over eight years. He has been an IT since 1995 and an MCSE since 1996. His training and networking experience covers a broad range of products, including NetWare, Lotus Notes, Windows NT and 2000, Exchange Server, IIS, and Proxy Server.
