Description:

Things are never going to change, or "This is just the way I am - I'm never going to get better", are just a few of the damaging lies Christians believe about themselves, their situations, and their walk. But Dr. Stanley shares the real truth as God sees it.

With this powerful and inspiring message, listeners will reconnect with the grand vision God had

when He uniquely created them. They will learn that regardless of setbacks, failures, and frustrations, there is a better path based in His Word, one that's full of freedom and purpose. This book takes them to their specifically designed paths to become exactly who the Father made them to be and achieve exactly what He designed them for.
