Description:

Review "Brilliant...A witty and useful piece of literary sociology."—*London Review of Books*

"I read and adored Pierre Bayard's book. It's funny, smart, and so true—a wonderful combination of slick French philosophizing and tongue-in-cheek wit, and an honest appraisal of what it means, or doesn't mean, to read."—**Claire Messud, author of *The Emperor's Children***

About the Author Pierre Bayard is a professor of French literature at the University of Paris VIII and a psychoanalyst. He is the author of *Who Killed Roger Ackroyd?*, and many other books.
