Description:

Every year, as the leaves start turning gold and the night air gets chilly, children all over the world begin dreaming of the Great Pumpkin... Well, at least one faithful child does. Poor Linus. While Charlie Brown, Lucy, Snoopy, and the gang make preparations for trick-or-treating and Halloween

parties, this stalwart believer risks their ridicule to write his annual letter to the mystical orange orb, in hopes that *this* year he'll be able to catch sight of his hero as he rises from the most sincere pumpkin patch around to fly through the air with his bag of toys for all the children.

For over 35 years, children have eagerly anticipated Halloween, not just for the tricks and treats, but because they know their favorite television special will be aired. *It's the Great Pumpkin, Charlie Brown* is based on this TV program, so now fans can enjoy the Halloween antics of the Peanuts gang any time. (Ages 5 to 8) --*Emilie Coulter* --This text refers to an out of print or unavailable edition of this title.

Review Momma's Bacon Blog

"It is very true to the original fun and glorious story of Linus and The Great Pumpkin and I loved sharing it with my family."
