Description:

Review "Amber Sweetapple can write! Her descriptions of the magic in this book are very poetic. Bravo, Amber! Looking forward to the next installment."

-YA Author Elle Casey

"Oh my goodness! What can I say about this book except I absolutely loved it? I could not put it down. I read it as fast as I could so I could know how it would end. I give the book 5 stars."

About the Author Amber Sweetapple is a sassy mama to 5 wild and wonderful kids. She enjoys

long evening walks in her suburban Detroit neighborhood with her writer husband Jack Sheppard. Her other favorite things are singing, chocolate, good wine, and writing her hunky husband into her stories. She also likes belly dancing, watching Real Housewives (don't judge!) and cooking dinner for her family in her crockpot. Oh, and cupcakes.
