## Description:

Now collected in an oversize omnibus edition for the first time, DC proudly presents the LEGION OF SUPERHEROES: THE SILVER AGE OMNIBUS!

Originally introduced in 1958, the Legion of Super-Heroes is a team of super-powered teenagers from the disparate worlds of the 30th century's United Planets. Each hero had his or her own powers, unique to their planets of origin; together, they stood against evil across the galaxy.

Together with 20th century hero Superboy, this team--originally made up of Saturn Girl, Lightning Lad and Cosmic Boy, but soon numbering in the dozens--fought for justice as they dealt with adolescent insecurities.
