

[PDF] Night (Night)

Elie Wiesel - pdf download free book

Night is the story of Elie's Trausnitz. The Wiesel was a teenage when he and his family were taken from their home in 1944 to the Auschwitz concentration camp, and then to Buchenwald. *Night* is the terrifying record of Elie Wiesel's memories of the death of his family, the death of his own innocence, and his despair as a deeply observant Jew confronting the absolute evil of man. This new translation by his wife and most frequent translator, Marion Wiesel, corrects important details and presents the most accurate rendering in English of Elie Wiesel's testimony to what happened in the camps and of his unforgettable message that this horror must never be allowed to happen again.

"Wiesel has taken his own anguish and imaginatively reinterpreted it into art."
—CARL LUTWACZ, *Saturday Review*

"As a human document, *Night* is almost sublimely peaceful, and certainly beyond criticism."
—A. ALLARIZ, *Commentary*

ELIE WIESEL is the author of more than forty internationally acclaimed works of fiction and nonfiction. He has been awarded the Presidential Medal of Freedom, the United States of America Congressional Gold Medal, the French Legion of Honor and, in 1986, the Nobel Peace Prize. He is the Andrew W. Mellon Professor in the Humanities and University Professor at Boston University.

A reading group guide for *Night* is available at www.fsgbooks.com.

Description:

Alert: This product may be shipped with or without the inclusion of the Oprah Book Club sticker. Please note that regardless of the cover, the books are identical.

Night is Elie Wiesel's masterpiece, a candid, horrific, and deeply poignant autobiographical account of his survival as a teenager in the Nazi death camps. This new translation by Marion Wiesel, Elie's wife and frequent translator, presents this seminal memoir in the language and spirit truest to the author's original intent. And in a substantive new preface, Elie reflects on the enduring importance of *Night* and his lifelong, passionate dedication to ensuring that the world never forgets man's capacity for inhumanity to man.

Night offers much more than a litany of the daily terrors, everyday perversions, and rampant sadism at Auschwitz and Buchenwald; it also eloquently addresses many of the philosophical as well as personal questions implicit in any serious consideration of what the Holocaust was, what it meant, and what its legacy is and will be.
