Description:

Joyce Meyer has a knack for coining phrases-her fans call them *Joyceisms*-and one of her best loved is "**Where the mind goes, the man follows.**" This was the basis for *Battlefield of the Mind*, and in her latest book, Meyer provides "power thoughts," bringing the reader to a new level of ability to use the mind as a tool to achievement.

In POWER THOUGHTS, she outlines a flexible program to turn thoughts into habits, and habits into success. Sections include:

- The Power of a Positive You
- 5 Rules for Keeping Your Attitude at the Right Altitude
- **More Power To You** bulleted keys to successful thinking in each chapter
- The Power of Perspective

Nobody has more of a "can-do" attitude than Joyce Meyer. Now you can, too.
