Description:

Get the ultimate guide to the Praxis® Core Academic Skills for Educators, complete with practice tests

The Praxis® Core Academic Skills for Educators test has replaced the Praxis (PPST) as the pre-certification exam for educators, and plenty has changed. The new exam still tests competency in reading, writing, and mathematics, but the bar has been raised and the focus is more on critical thinking to provide states and agencies better candidate qualification indicators. The new test is aligned with the College and Career Readiness Standards and the Common Core State Standards, with expanded testing that more accurately reflects the nation's changing educational standards.

Praxis® For Dummies, with online practice tests is the ultimate study guide for the exam.
