From the Back Cover

From #1 New York Times Bestselling Master Sidney Sheldon, based on notes he left behind, comes a thrilling tale of murder, lies, and lust.

LAPD Detective Danny McGuire could never forget the face of Angela Jakes and the nightmare she

endured—raped, beaten, and tied to the murdered body of her elderly husband, multimillionaire art dealer Andrew. His obsession nearly cost McGuire his sanity, even after the stunning young widow disappeared without a trace. Ten years later, living in France and working for Interpol, he's put the past behind him . . . until Matt Daley, Andrew Jakes's estranged son, walks into his life.

Digging into his father's still-unsolved murder, Matt has uncovered three identical slayings, and soon he is joining forces with Danny to pursue a brilliant, elusive killer across the globe. But in Hong Kong everything starts to crumble as Matt is irresistibly drawn to the most recent widow, beautiful Lisa Baring, whom Danny suspects may be someone far more sinister than just another victim . . .
