#### **Description:**

Gido/Clements's best-selling SUCCESSFUL PROJECT MANAGEMENT, 6E presents everything you need to know to work successfully in today's exciting project management environment, from the organization and management of effective project teams to planning, scheduling, and cost management. Revised chapters closely align with the PMBOK (Project Management Body of Knowledge) framework to ensure that you are mastering today's best management practices. Coverage of the latest business developments and challenges introduce issues such as project constraints, the project charter, and how projects relate to an organization's strategic plan.
