Description:

New York Times Bestseller

World War I set the tone for the 20th century and introduced a new type of warfare: global, mechanical, and brutal. Nathan Hale has gathered some of the most fascinating true-life tales from the war and given them his inimitable Hazardous Tales twist. Easy to understand, funny, informative, and lively, this series is the best way to be introduced to some of the most well-known battles (and little-known secrets) of the infamous war.
