Description:

From the Back Cover A new identity may protect her family--but can it protect her heart?

After the loss of her husband and the birth of her baby, Charlotte has had a long, hard year. But she can find no rest from the ghosts of the past and flees to Cheyenne to put the pieces of her life back together.

Wealthy cattle baron and political hopeful Barrett Landry must make a sensible match if he is to be elected senator of the soon-to-be state of Wyoming. He needs someone with connections. Someone without a past. Yet he can't shake the feeling that Charlotte holds the key to his heart and his future.

Will Charlotte and Barrett find the courage to look love in the face? Or will their fears blot out any chance for happiness?
