Description:

Yesterday's Tomorrow is a valentine to an era of optimism, relaxed lifestyle, and innovative design; a large-format, general audience book, illustrated with rarely seen art and photography of the mid-20th century reflecting the unique style that Walt Disney and his artists contributed to the era. If you've seen *Sleeping Beauty*, read *Dwell Magazine*, shopped at Design Within Reach, or watched *Mad Men*, this book is for you and all those who love this extraordinary era of Disney.
